COVID-19 Protocol Update

September 12, 2022

Health Protocols

Masks Requirements – Face coverings are strongly recommended to be worn when indoors.

Participants and staff, regardless of vaccination status, are required to wear a mask when:

- ✚ Returning to work or program on the sixth day after testing positive for COVID-19 through day 10 after symptom onset or date of positive test, whichever is earlier, including when traveling on CNL transportation or the agency van.
- ✚ Exhibiting symptoms of COVID-19 at program or office.

Participants and staff, regardless of vaccination status, are strongly recommended to wear a mask:

- ✚ When they are exposed to someone with COVID-19, whether the exposure occurred at program, home or within the community. The person should wear a mask for 10 days after the last day of exposure and get tested at least 24 hours apart on the 4th and 5th day of the exposure.
- ✚ When they are moderately-to-severely immunocompromised, and masking is recommended by their healthcare provider
- ✚ In crowded indoor settings

Screenings

- ✚ A daily health screening is no longer required to enter program sites.

Staff Vaccinations

- ✚ Vaccination is still required for all visitors entering all SEBNC program sites.
- ✚ Vaccination is still required for all SEBNC employees
- ✚ Vaccination is required for all SEBNC employees who work in DOE sites
- ✚ Proof of positive COVID-19 test is still required for all participants and staff.
